

## Innovation in NHS Integrated Care Systems

The Digital Healthcare Council is the 'go to' voice for digital health, working to inform the development of policy and regulation. Our aim is to create a vibrant digital health ecosystem that works for patients. We promote a greater understanding of digital healthcare to build an optimal operating environment that is fit for today's healthcare challenges and into the future. If you are interested in finding out more, please email [contact@digitalhealthcarecouncil.com](mailto:contact@digitalhealthcarecouncil.com)

We have created a table setting out leaders of every ICS in England along with details of their Innovation Leads and a link to their websites and digital strategies where these are available.

**Green** – Defined digital strategy and appointed digital/innovation lead

**Amber** – Digital mentioned in overall strategy or digital/innovation lead appointed

**Red** – No clear digital strategy or digital/innovation lead
